Dear Valued Customer:

The Sherwin Williams Company, in cooperation with Robert Patrick and Patrick Painting & Siding, are proud to provide you with a lifetime-limited warranty on your exterior paint for as long as you own your home. This warranty covers only whole house exteriors, remodels, or new house construction where pre-primed cementitious siding is used for exterior wall on all four sides of the structure. Patrick Painting & Siding proudly uses Sherwin Williams Duration exterior coating with Permalast technology. They have been educated in using Duration, and understand the warranty Sherwin Williams provides. Patrick Painting & Siding is a valued customer of Sherwin Williams and will ensure that your exterior paint job will be completed properly. All the right steps will be taken to ensure your warranty.
